Dividends and other distributions sometimes must be reclassified by the issuer. As a result, we may be required to send you a corrected Tax Reporting Statement that may affect the information you report on your tax return.

(n) Reported widely held fixed investment trust dividend amounts include expenses which were not distributed to trust holders. Those amounts are listed separately in **1a** Total ordinary dividends. The equivalent expense amounts are also detailed in the supplemental (1099-DIV) Other Distribution, Tax, and Expense Details, column **6**. Tax exempt interest dividend expenses are listed as separate entries in column **12** and in the separate Tax-Exempt Interest Expenses section shown later in this statement.
