TOTAL ANNUAL TAXES DUE ON OR BEFORE JANUARY 31 → **$10,902.97**

- To avoid the accrual of penalty and interest, all payments, including metered mail, online bill pay, and all forms of electronic payments, must bear a USPS postmark or be received on or before January 31st.
- Depositing payments in a USPS collection box does not guarantee a postmark for that day and could result in the accrual of penalty and interest if done on or near a delinquency date.
- By state law, failure to receive a tax bill does not relieve the owner of tax, penalty, or interest liability. If you did not receive a statement for each piece of property you own, you may visit our website to view property taxes, payment history, current statements, payment options, and other information at: tax.wilcotx.gov
- Checks, electronic checks, and ACH transactions that are returned due to insufficient funds or closed account, will incur a $30.00 return item fee. Penalty and interest will accrue if payments is not received by the delinquency date as mandated by state law.
- If your taxes should be paid by your mortgage company, please forward this statement to their office.
- Credit/Debit Cards will incur an additional vendor fee in person, online, or over the phone. Do not mail credit card information.
